Login Page Phone View

Login Form Phone View

The image shows a mobile login form wireframe. It is titled "Login Form Phone View" at the top. The form is contained within a rounded rectangle with a thick black border. At the top of the form, there is a header area with a light blue background. On the left, it says "Company Logo". In the center, it says "Company Name". On the right, there is a hamburger menu icon (three horizontal lines). Below the header, there are two input fields: "Username" and "Password". Below the "Password" field, there is a link that says "Forgot Password?". In the center of the form, there is a large blue button with the text "Login". At the bottom of the form, there is a footer area with the text "Footer".

5. Design Example Desktop Menus

Potentially go for this Clean, Marble look / feel, with variations of White and Gray / Black shades for colouring

Could include hyperlinks in menu items that lead to pictures of the dish
